SUBJECT: Memorandum for the Record

Received a call from [redacted], OS/SRS. He received a call from Ed Keblusek, Washington, D.C. Field Office rep of the FBI, who stated that a package had been found on or near the White House lawn which contained material about a Latvian emigre organization, and which seemed to belong to Aleks Kurgvel. I asked [redacted] if this package definitely belonged to Kurgvel or if his name had merely appeared therein. [redacted] wasn't positive, but believed it was the former. He suggested that Kurgvel call Keblusek on Code 175 x-830 about this, and retrieve the package himself. He also asked to be kept apprised of this matter. Told [redacted] who will follow through. John did add that Aleks was doing some work for [redacted], CI/R&A on Estonian emigre matters.
